Motion to rescind Board's decision on taking unit 2771 out of service

Discussion followed some members of the board felt that the decision should not be rescinded indefinitely but only for a period not to exceed 90 days. Mr. Rideout modified his motion to reflect 90 days. Mr. Rideout gave reason for his concern as being the Board wasn't given all information when making this decision. Specifically, the mechanical problems can be traced to improper & excessive loading of the vehicle also he was concerned about being able to reach fire and accident scenes with the county pumper. Ms. Zenker stated she was upset because we were not properly informed. Mr. Ellick doesn't like the way it was set up but doesn't think 1,800 pounds is going to make any difference.
