Updated 5/1/2017

Outside of Station Events

- Weekly progress meeting with MDOT @ G2 equipment for US 131 construction project
- April 10, 17, 22 MFFTC Plainfield Fire Academy review and exam proctor
 - 2 personnel, 17 hours
- April 15, Solon Center Wesleyan Church Easter community recognition event
 - 3 personnel, 4 hours
- April 20, Cedar Springs Community Night
 - 3 personnel, 2.5 hours
- Grounds maintenance at Cemetery
- Assist with Velzy park trail preparation
- Order pick up at Copies Plus
- Fill O2 bottles at Kent City FD
- Dry hydrant maintenance @ N. Division @ Wiersma

Repairs to Station

- Additional work on sidewalk lighting

Repairs to Apparatus or Equipment

- E 1 – Replace bulbs for pump panel

Training

- Auto Extrication
 - 8 personnel, 3.25 hours
- Mutual Aid Ops, Relay Pumping
 - 4 personnel, 3.0 hours
- Modern Fire Behavior,
 - 2 personnel, 10 hours
 - Delta Township FD
- Individual Training Time
 - 1 personnel, 5.5 hours

Purchases

- Letterhead stationery

Significant Events and/or Alarms

- April was an above average month again for alarms. So far this year, every month has been well above average for calls for service with the exception of February, which was normal. 2017 year to date alarms is 174, and same date in 2016 was 119.
- Also occurring this month is a pertinent negative: Not a single rescue call for a Motor Vehicle Accident on US 131 in the construction zone. So if you were thinking maybe the rescue calls on the highway are the reason for the spike- that would be a negative.
- On April 20 & 22, 2017, FF's Nielsen and Grady participated in the written and practical exams respectively for the MFFTC Fire Academy hosted at Plainfield FD. Both members successfully passed both exams. Congratulations Nick and Jordan!
- SFD personnel attended the annual Cedar Springs Community Night and reported very low attendance and even less foot traffic to the SFD table and or apparatus. There was not any positive leads for recruiting.
- On April 22, 2017 SFD responded to a barn fire @ 14631 Hanna Avenue N.E. at 1812 hours. On arrival crews found the roof of the barn collapsing from heavy fire involvement. Given the hour of the day, this fire made live coverage on the local Grand Rapids media channels as the column of smoke was visible from their tower antennae sites in GR. SFD was assisted by Kent City, Algoma, Sand Lake, and Cedar Springs Fire Departments. Mutual aid partners were on scene about 3.5 hours and SFD cleared around midnight. The cause and origin of the fire is undetermined and the estimated loss is \$300,000. This includes the loss of four classic cars and a motorcycle stored in the barn and two vehicles damaged outside the barn by conducted heat. As this barn was converted to a "man cave" over the years, it goes without saying that there are countless tools that were lost in the fire too. The residential dwelling is about 100 feet from the barn suffered some damage from heat transfer via convection. There were no civilian or fire service injuries or casualties. The homeowner is a firefighter with the City of Grand Rapids FD.
- On April 24, 2017 SFD assisted Kent City FD at a residential dwelling fire on 17 Mile Road near Payne. Aid was provided in the form of a Tender truck and personnel support. The fire started in the attached garage from improper disposal of pellet stove ashes and quickly consumed the garage and dwelling.
- Chief Drake and FF Nielsen attended the Fire Department Instructor's Conference (FDIC) in Indianapolis Indiana from April 26-28, 2017.
 - Departed Grand Rapids at 0715 hours on April 26, returned at 2000 hours on April 28.Activities:
 - Reviewed the expo floor displays and made contact with specific vendors including: Performance Advantage Company, Fire Research Company, TrueFuel, HME, Rosenbauer, Danko, Pierce, Motorola, Unication pager radios, Spartan, Zahnen.
 - Reviewed and researched products on display on the expo floor.
 - Attended multiple classroom lectures including
 - Reading Smoke by Dave Dobson
 - The first five minutes: Size-Up, Decision Making, and Fireground communications by Charles Ryan
 - First Due Battalion Chief by Daniel Sheridan

- The three C's of Fire Suppression Operations: Coordination, Communication, Control by Sean DeCrane
- Initial-Arriving Units and First-Alarm Operations in Smaller Jurisdictions by David DeStefano
- 105 Extrication Tips in 105 Minutes by Les Baker
- RIT for rural fire departments by Joe Nedder
- Summary
 - Excellent classroom learning time by exceptional instructors that are all voted to present programs by the attendees.
 - Quality time spent with vendor sales or technical support personnel
 - Networking with mentors and vendors
 - New product hands on review

Chief Drake and FF Nielsen are very thankful for the opportunity to have attended this event for the third time and first time respectively. I would support or recommend all fire service members to attend. Break-out sessions include Hands-On Training early in the week and the classroom lecture sessions in the mid-week and vendor expo late-week. 2017 FDIC was the largest attended conference to date and was the 90th anniversary celebration. You may remember this event as FF Wetter attended via a scholarship contest from a national trade magazine.

Fire Officer Activities

- **Chief Drake**
 - **Alarms**
 - 17 alarms, 18.0 hours
 - **Meetings**
 - SFD Personnel: 2 @ 1.0 hours
