Significant Events and/or Alarms

- Overall, a very quiet month of December as compared to the extraordinary busier months earlier this year and even below the overall average. It was so quiet that there were not even any automatic or mutual aid alarms given or received during the month. This provided a nice break for the team to enjoy the holidays, albeit the fact that we did run four alarms on Christmas day. Thank you team for providing the necessary aid on this holiday.
- Progress continues with the new Tender/Pumper truck. Anticipating delivery by January 31, 2019. Track and view progress at the following link.

- Removing and relocating equipment in both buildings continues so as to provide clearance for new tender in the east bay of building # 2.
- SFD was selected to host the Kent County Fire Academy Fire Officer I & II classes for the north departments. Technology upgrade of ceiling mounted projector was purchased and is being installed by personnel.
- Numerous old liquids and other hazardous materials were removed from the building and recycled at the Kent County Hazardous Recycle site on Ten Mile Road in Rockford.
- Personnel provided vacation coverage for full time firefighter on 12-5-18 for 9 hours.
