- Report of Farmers Market/Velzy Park fundraiser June 10<sup>th</sup> – Shelly

Went fairly well. 8 vendors outside/8 vendors inside. Raised about \$450.00 dollars with \$164.00 from food and \$256.00 from raffles. Next year shoot for mid-May and get baskets and raffle items out early so ticket sales can be increased. Food cost needs to be evaluated as we lost money on food.

- **Decision on signs for Velzy Park – Mary Lou**  
Mary Lou will check with contacts about sign by street.  
Annette discussed possibly using a router or dermal tool to make some signs and hang them on a bigger board.

**Discussion:**

Possible new fundraising ideas and dates

Committee discussed Scarecrow festival 10/28/17. Getting out during red flannel festival to spread info about park and sell some t-shirts maybe using a booth approach by the Library.
