Outside of Station Functions, Significant Events, Alarms:

- As a result of the Covid19 Pandemic escalating to the community spread criterion and directives from the Governor, SFD has cancelled all in-person trainings and will be relying on various forms of on-line training. These resources will include Target Solutions, and Fire Engineering. Target Solutions will be utilized for all the annual MI-OSHA employee safety annual refresher training including: Employee and FF Right to Know, Lock Out/ Tag Out, Airborne Pathogens, and Blood Borne Pathogens.

- Covid 19 has made a significant impact this month with positive tests for three members and one member ordered to quarantine twice this month for 14 days after a close contact exposure.
- Covid 19 PPE acquisition has begun to become a bit more challenging. The supply chain is low and costs are very high. Nitrile gloves have about tripled in price settling at a case for \$ 300.00. A source for re-usable washable isolation gowns was found in Grand Rapids and an ample supply was purchased and obtained.
- On November 10 at approximately 0430 hours, SFD was summoned to the Duke Creek Campground on White Creek Avenue on a report of a cabin fire. Units arrived to find one cabin fully involved in flames, flame spread starting another cabin burning and a large area of the grass and woods burning. SFD was assisted by Sand Lake, Cedar Springs, and Algoma Fire Departments. This fire was contained within 20 minutes using about 4,000 gallons of water. The cause of the fire is undetermined. Estimated loss is about \$ 35,000.00.
