Departmental Activities

- Assessing – County Pictometry project is 90% finished with flyovers. Useful for desk reviews. Splits up to date.
- Building – Permits going strong – several homes and pole barns. Bldg inspector is now also Spencer Twp inspector, working there on Thursdays.
- Zoning – Busy. Back to court this Friday – court ordered payments have been made. Cleanup not in compliance but may be by Friday. Getting signage out to Olin Lakes with deadline to remove boats and docks from easement. Remaining debris may need bids to remove.
- Fire Department – Fred would like to add request for cable TV for purpose of training added to Board Meeting agenda May 15. Need more information on what is needed – is it just way to connect training software from computer to larger TV or ?
